A deepening relationship with Jesus...

In the poor children, we see Jesus—His face and His love and His compassion. There is a crying need in India, which must be met. *For God so loved the world, that He gave His only Son, that whoever believes in Him will not perish, but have everlasting life.* What a blessing and a privilege to give and to serve! The love of Christ compels us to impact the life of poor children who are abused, abandoned and potentially in great physical danger! ***Through caring for the poor, the broken, the sick and the lame, we experience a deepening relationship with Jesus!***
